Religion to **RELATIONSHIP** Ministries

The Lee Family moved to Nicaragua in 2012 following the call God placed on their lives to share His love and truth of salvation with indigenous Miskito people. They live in a remote village of Krinkrin in the jungle of Nicaragua, where the only access is by boat five to six hours upriver from where the road ends. They reach out to many villages along the Coco River and the surrounding area.

VISION

We are committed to making disciples, leading people from a knowledge of Jesus to a life surrendered to Jesus. In Nicaragua, God has called us to go live with the Miskito Indian people and teach them the truth about salvation by grace in His Son Jesus Christ, and the work of the Holy Spirit.
